The first season of Starz's brutally entertaining zombie apocalypse dramedy follows a ragtag team of survivors as they travel from Texas to San Francisco in search of a new, secure home. In their search for safe haven, they soon discover that what lies ahead is far more terrifying than the zombies. This single-disc release features all 12 episodes from the first season of Starz's zombie drama. The first season of Starz's smash-hit show was about a group of survivors who trek from Texas to California in search of a new, secure home. The story is set in the modern-day ruins of the American West, where the post-apocalyptic world has arrived thanks to a plague that has transformed the human population into blood-hungry zombies. Season 1 takes place over seven weeks and follows a ragtag group of survivors as they cross the treacherous terrain of the western United States in a search for a new, secure home. The new home is the California state line. While their journey to safety is slow and not without obstacles, they discover that the journey itself is dangerous. Meanwhile, the group's leader, Henry (The Walking Dead's Andrew Lincoln), remains behind as the gang nears the state line. The drama centers around a group of people who must band together in order to survive while threatened by zombies and the United States government. This hard-hitting drama will leave you on the edge of your seat and not wanting to let go.
